

A message from the
Greek Week Chairs

The purpose of Greek Week 2004 is to unite Cornell University's Greek communities through various fun and challenging events. We wish to see all chapters participate in the fun activities planned throughout the week. In order to show our appreciation of the Greek communities' commitment to Greek Week, we will be rewarding the first, second and third place chapters from each council with cash prizes to be used toward their chosen philanthropy. Chapters earn points through participation in Greek Week events with special points being awarded throughout the week during various fun contests. In addition to uniting the entire Greek community, Greek Week 2004 shall serve as a marketing tool for your organization and an opportunity for your chapter to promote its fraternal spirit.

It's the Cornell Greek community's way of giving back to the Ithaca community. Throughout the week, chapters will be collecting recyclables (cans, bottles, paper, etc.). Thursday evening, the Greek Week committee will go to the specified drop-off spots or a chapter's house to pick-up the bags of recyclables. Chapters will be awarded points for each bag. Any monies collected from the recyclables will be donated to a local charity on behalf of the Cornell Greek Community.

Friday, September 17

Service Auction & Awards Ceremony

Location: David L. Call Auditorium
Kennedy Hall

Time: 6:00p – 9:00p

Individual students or chapters will put a "service" up for auction (examples are cooking breakfast, room clean-up, grocery store trip, etc). Students and/or chapters will bid on the service. The top bid earns the service. In addition to services, other prizes donated from local stores (dinner for two, etc.) will be auctioned. All the money collected from bids will be given to another charity. At the end of the event, we will announce the first, second, and third places Greek Week winners for each council.
